

BercoTM

THE HEART OF YOUR HOME

Custom Cabinetry & Interiors

THE 2026 COLLECTION

Berco
THE HEART OF YOUR HOME

OUR BELIEF

The heart of a home
deserves more than
generic cabinets and
rushed workmanship.

Berco is custom cabinetry and interiors — designed, built,
and installed with care. A brand of JBC UNLTD CORP, since 2017.

BercoTM

THE HEART OF YOUR HOME

THE BERCO STANDARD

Guided, Not Rushed.

Berco is the interior cabinetry brand of JBC UNLTD CORP, a Cebu company building and installing premium home products since 2017.

We work design-first — we study your space, plan the layout, agree materials and timelines, then produce and install to a defined standard. No rushed work, and no surprises after handover.

DESIGN-LED

Layout, storage, and flow, planned before anything is built.

BUILT TO STANDARD

German machinery, verified materials, precise fabrication.

INSTALLED & SUPPORTED

Fitted by our team, checked at handover, backed after.

Berco
THE HEART OF YOUR HOME

HOW WE WORK

Four Steps.

01 Discovery & Vision

A site visit to develop your 2D and 3D layout with curated mood boards.

02 Design Development

Three tailored cabinetry options aligned to your theme, each with pricing.

03 Production & Crafting

Production begins on final approval and receipt of deposit.

04 Installation & Completion

Installed by our own team, with the balance payable on completion.

Berco™

THE HEART OF YOUR HOME

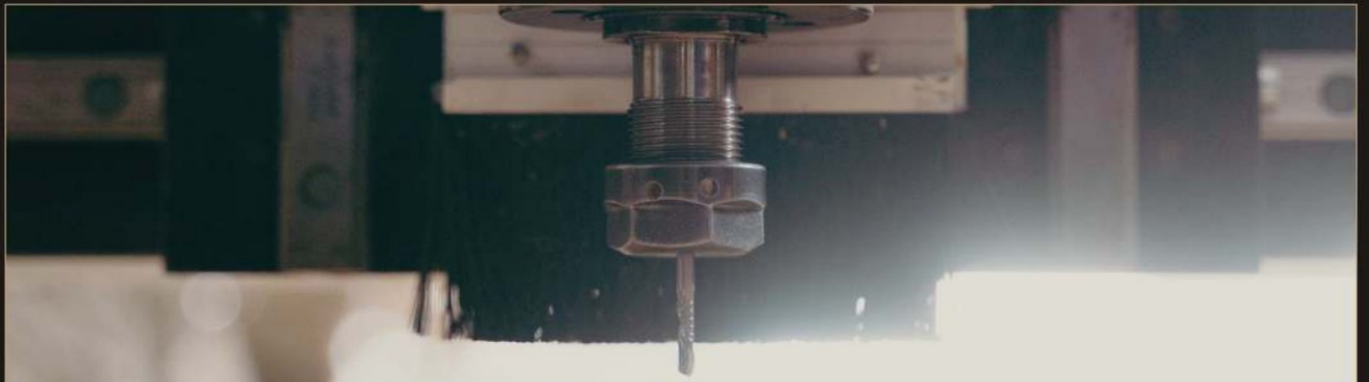

CRAFT & PRODUCTION

Made With Precision.

Berco cabinetry is manufactured on German and Italian machinery — then measured, fitted, and installed by our own team.

- HOMAG & IMA German cabinet lines
- Dieffenbacher & Siempelkamp German board presses
- 95% of equipment from Germany & Italy
- PUR edge-sealing, accurate to 0.1 mm
- Genuine Blum & Hettich hinges and runners
- EGGER & DARE name-brand board, E1-rated
- Measured, fitted & installed by Berco

Spindle work — cut, edged, and sealed in one pass.

Berco
THE HEART OF YOUR HOME

MATERIALS & FINISHES

Made to Last.

SOLID-WOOD PARTICLE BOARD

EGGER · DARE board
E1 low-emission

LACQUER FRONTS

PPG · DAIHO lacquer
Matte or gloss

QUARTZ COUNTERTOPS

Non-porous stone
Heat-resistant to 300°

MELAMINE FRONTS

SCHATTEDECOR décor
REHAU edges

GERMAN LASER EDGING

Seamless, glue-free
HOMAG · JOWAT

PRECISION HARDWARE

Blum · Hettich
TITUS · FISCHER

Specified by name, not by grade.

Every board, front, and hinge above is specified in full in the Berco Interior Systems catalogue — ask your designer for a copy.

KITCHENS

Where the Day Begins.

Island, storage, and flow – a kitchen planned around how you cook and gather.

KITCHENS · DESIGN 01

Cream & Breeze.

Matte cream fronts with warm woodgrain, a curved island, and lit glass display cabinets. Soft and light, built for everyday comfort.

FINISHES

Matte cream fronts · Warm Breeze woodgrain
Curved island · illuminated glass cabinets · stone top

REF. K01 · 101

KITCHENS · DESIGN 02

Dark Coffee.

Dark coffee woodgrain with matte brown fronts. A single-wall work zone, island bar, and full-height wine cabinet — handleless throughout.

FINISHES

Dark coffee woodgrain · matte brown fronts
Handleless · lit wine cabinet · built-in appliances

REF. K02 · 102

KITCHENS · DESIGN 03

Smoke & Platinum.

Light smoky woodgrain against platinum grey. Kitchen and dining integrated, so cooking and gathering share one space.

FINISHES

Light smoky woodgrain · platinum silver grey
Integrated dining · aluminium frames · stone top

REF. K03 · 103

KITCHENS · DESIGN 04

Coffee & Sage.

Warm coffee cabinetry with sage green and dark accents. Kitchen and dining planned as one — storage, coffee station, and bar in a single flow.

FINISHES

Warm coffee + sage cabinetry · UV-printed back panel
Metallic-coated glass frames · stone countertop

REF. K04 · 105

WARDROBES

Everything in Its Place.

Walk-in wardrobes with fitted shelves, drawers and hanging — organised around your things.

WARDROBES · DESIGN 01

Cream & Breeze.

Matte cream with light oak. A central island, surrounding cabinetry, and a built-in vanity — dressing made calm.

FINISHES

Matte cream · light oak woodgrain

Central island · built-in vanity · glass display

REF. W01 · 101

WARDROBES · DESIGN 02

Dark Coffee.

Dark coffee woodgrain with patterned backs and warm light. Glass display, open hanging, concealed drawers, and a seat.

FINISHES

Dark coffee woodgrain · patterned back panels
Glass display · open hanging · ambient lighting

REF. W02 · 102

WARDROBES · DESIGN 03

Smoke & Platinum.

Light smoky woodgrain with platinum grey. Concealed storage balanced against open display, lit throughout.

FINISHES

Light smoky woodgrain · platinum silver grey
Dressing island · ambient lighting · open display

REF. W03 · 103

WARDROBES · DESIGN 04

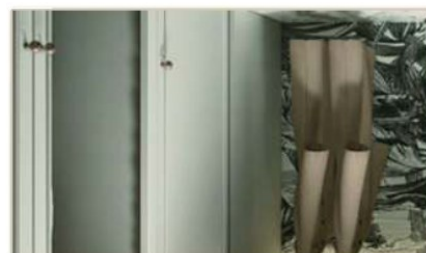

Coffee & Sage.

Sage green fronts with warm coffee interiors. Fitted hanging, drawers, and lit display in a compact run.

FINISHES

Sage green fronts · warm coffee interior
Fitted hanging · drawers · lit display

REF. W04 · 105

LIVING

Room to Gather.

Media walls and built-in storage that keep the living space open and calm.

LIVING · DESIGN 01

Cream & Breeze.

A cream and warm-wood media wall around the fireplace. Symmetrical, with open shelving and concealed storage.

FINISHES

Matte cream · Warm Breeze woodgrain
Fireplace surround · open + concealed storage

REF. L01 · 101

Berco™

THE HEART OF YOUR HOME

LIVING · DESIGN 02

Dark Coffee.

Dark coffee woodgrain with matte brown fronts, built around the fireplace and screen. Calm and restrained.

FINISHES

Dark coffee woodgrain · matte brown fronts
Integrated fireplace · lit niches

REF. L02 · 102

LIVING · DESIGN 03

Smoke & Platinum.

Smoky woodgrain shelving against platinum grey.
Display and storage in one wall, framed by the window.

FINISHES

Light smoky woodgrain · platinum silver grey
Open shelving · concealed storage

REF. L03 · 103

LIVING · DESIGN 04

Coffee & Sage.

Sage green cabinetry with a low media run and arched display. Open, calm, and easy to live in.

FINISHES

Sage green cabinetry · arched display
Low media unit · warm coffee accents

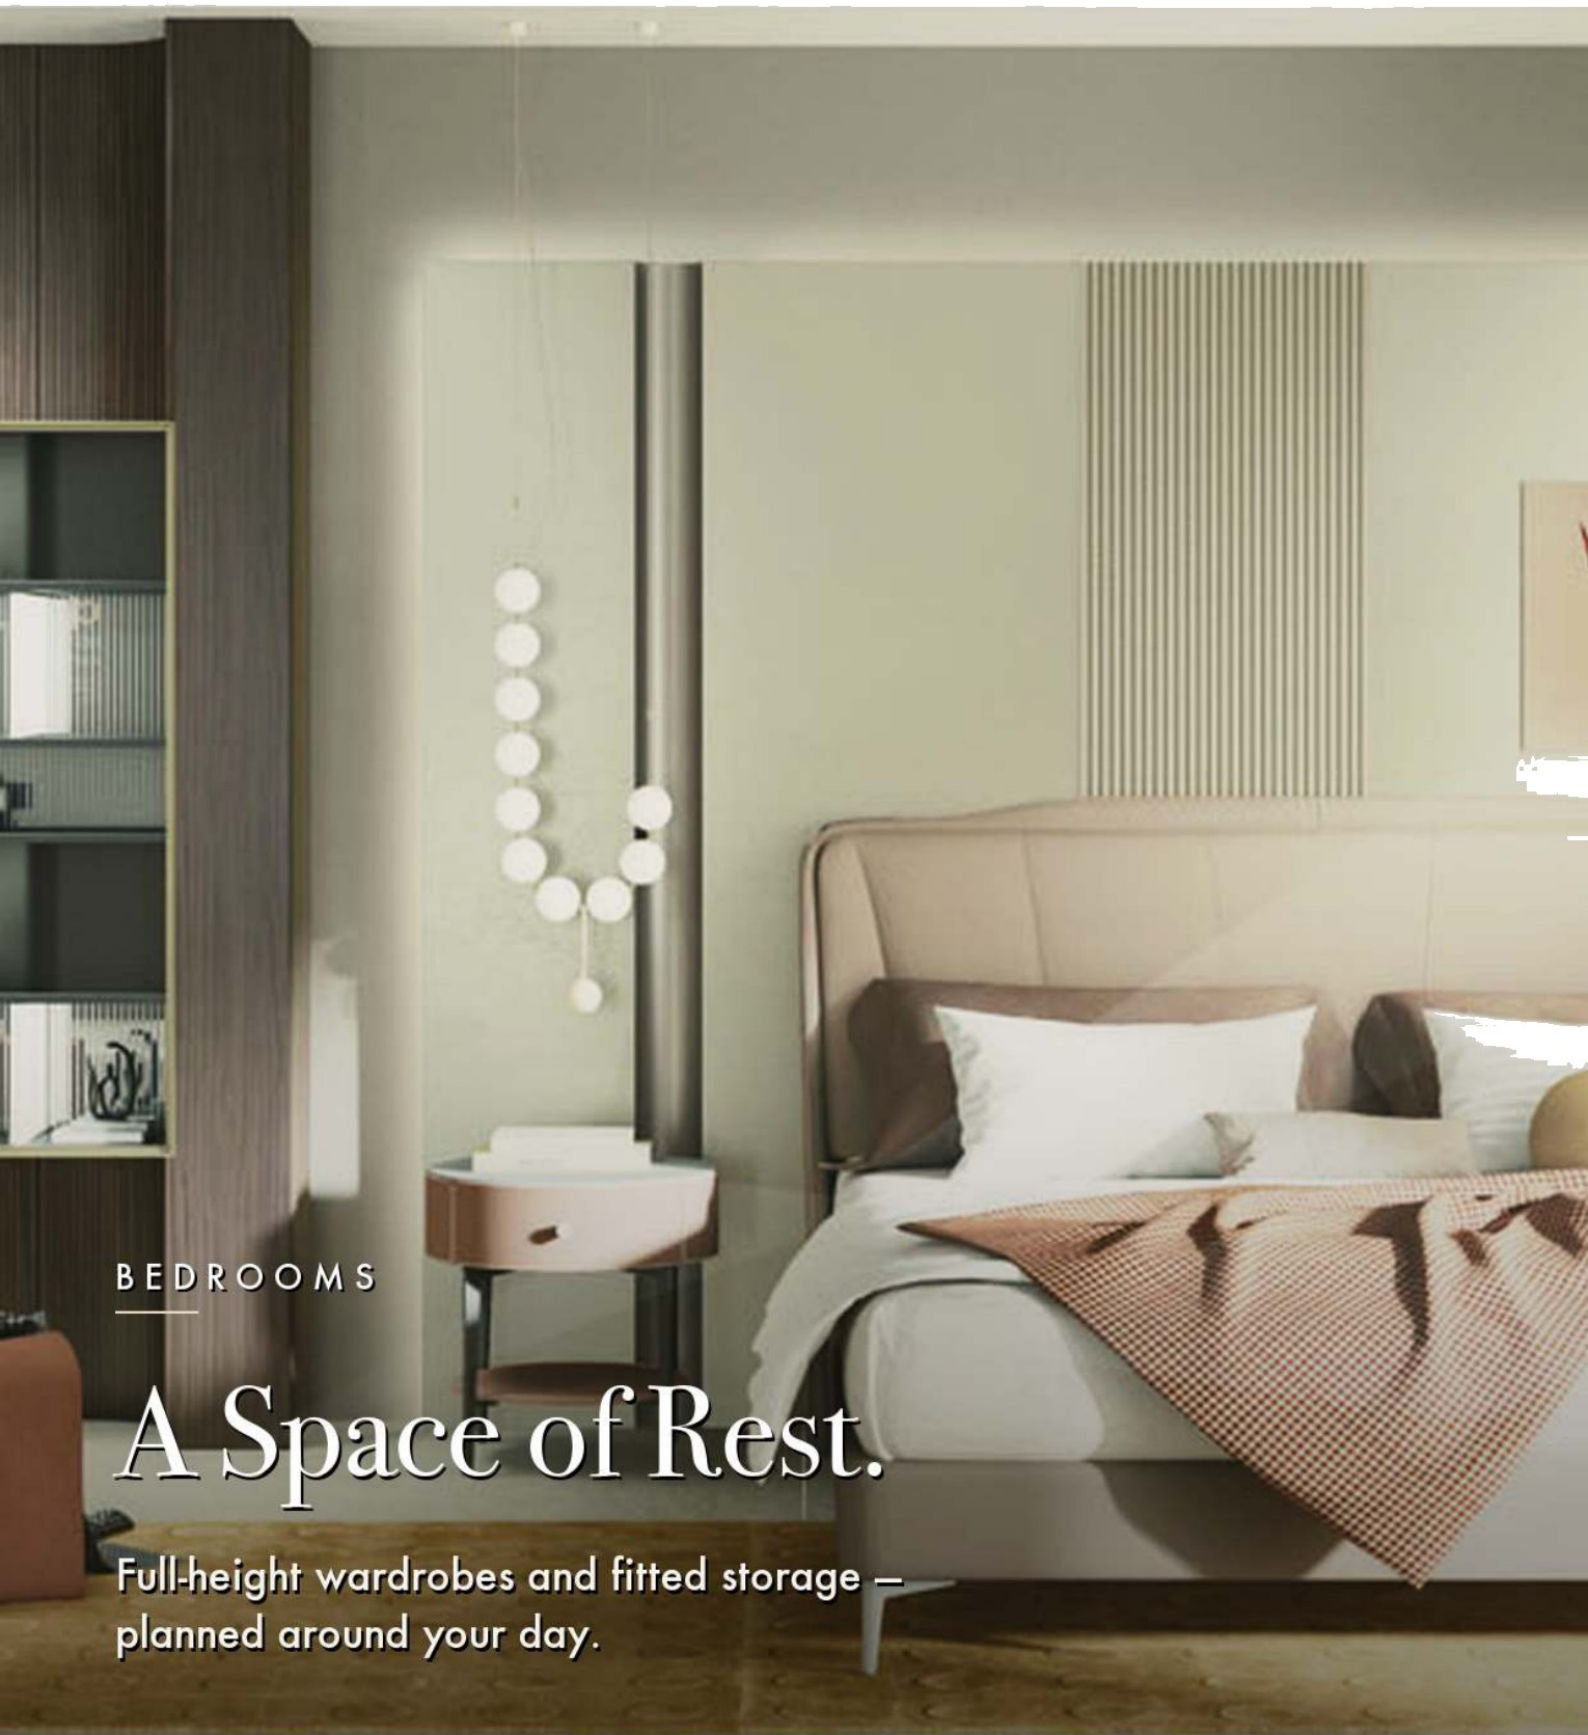

REF. L04 · 105

BEDROOMS

A Space of Rest.

Full-height wardrobes and fitted storage —
planned around your day.

BercoTM
THE HEART OF YOUR HOME

BEDROOMS · DESIGN 01

Cream & Breeze.

Matte cream fronts with light oak. Full-height wardrobes and open shelving frame the bed.

FINISHES

Matte cream · light oak woodgrain
Full-height wardrobes · open shelving

REF. B01 · 101

INVESTMENT

What Shapes Your Price.

Custom cabinetry is priced by what goes into it — not by the square metre. Here is what moves the number, so there are no surprises.

- 01 SCOPE & LAYOUT**
How much is built-in, and the size of the space.
- 02 MATERIALS & FINISHES**
Board, fronts, and countertops — lacquer costs more than melamine.
- 03 HARDWARE & STORAGE**
Soft-close runners, pull-outs, and internal fittings.
- 04 COMPLEXITY**
Curves, integrated appliances, and non-standard sizes.
- 05 INSTALLATION**
Site conditions, access, and the finishing standard.

We agree the specification and the number
before production begins.

Your budget goes where it matters to you.

GOOD TO KNOW

Questions, Answered.

How long will it take?

It depends on scope. Design, production, and installation each take time; we confirm a schedule before you commit.

Do you install?

Yes. Our own team installs and checks every project to a defined standard.

How does payment work?

In stages — design engagement, production deposit, pre-installation, and completion balance.

Is there a design fee?

Yes. It secures the design phase and is credited to your project when you proceed.

Can you work with my architect?

Yes. We specify to your plans and coordinate with your designer.

What happens after installation?

We check at handover and provide project-specific warranty and after-sales support.

The rest is a conversation.

STANDARDS & AFTER-SALES

Held to a Standard.

The difference between cabinetry that looks right on day one and a home that still works years later is in the standards.

Every reveal, level, and soft-close checked before we hand over.

INSTALLATION, CHECKED FOR

- Leveling & alignment
- Reveal consistency
- Hardware calibration
- Cleanliness & protection
- Post-installation checking

AFTER WE INSTALL

- Handover check
- Project-specific warranty
- After-sales guidance

We stand behind the installation.

BACKED BY

JBC UNLTD CORP.

Berco is a brand of JBC UNLTD CORP — a Cebu company delivering premium home products across the Philippines since 2017.

The group brings together outdoor living (Skybass), aluminium windows & doors (Nautilus), and custom interiors (Berco) — with the project-coordination, import, and installation experience that stands behind every Berco project.

SINCE 2017

A registered Philippine corporation.
